Special thanks to the McMinnville Community Center and Staff for their assistance with this afternoon’s performance.

Thank You

We would also like to add a very special thank you to the Toth Family for providing rehearsal space for us while the McMinnville High School Band Room is being renovated. Les and Kathleen Toth offered their “barn” space to us at a time when it was most needed, and they continue to support us. We are truly grateful

Some Opportunities to Support the Band

FIRST FEDERAL BANK customers, please participate in the yearly Costumer Ballot Program during January-February by casting your vote for SWCB. By filling out your ballot you help First Federal determine the Yamhill County non-profit organizations that will receive donations from their institution.

FRED MEYER shoppers, if you have a Rewards Card, you can designate SWCB as your charity in the Community Rewards section. So when you shop, a portion of your purchase will be donated to the band.

AMAZON customers—just sign up for amazon. Smile.com, choose SWBC as your favorite charity and a percentage of the cost of items you buy will be donated to SWBC.

MACHUB is like an online garage sale. They will sell your items for you and donate the funds to the charity of your choice. Go to their website: MacHub.org

DONATION CARDS are enclosed in our program. Feel free to send in your donation at your convenience.

Interested in Joining the Band?

Do you have an instrument in the closet gathering dust? How about dusting it off and then come check us out! We rehearse every Monday night from 7:00-9:00. We are “a band for all ages” (high school to 90+) who enjoy playing music together...so if this sounds like fun to you, come join us!

For directions to our rehearsal space, call:
